### Point 01 Standard Shooting

## A digital camera that wants to go everywhere with you!

Our smallest INSTAX camera model is the perfect size to take with you everywhere! Transfer your images via Bluetooth to your Smartphone using the free downloadable INSTAX Pal™ Smartphone App.

### Point 02 Remote Shooting

## Simply set up your camera and use the Remote Shooting App feature to take the perfect selfie or group shot!

Operate the shutter from your Smartphone! The wide-angle lens makes it easy to get the perfect shot, whether your camera is set up near to you or you're shooting a big group—even the background will be in frame!

### Point 03 Interval Shooting

## Use Interval Shooting and INSTAX Animation App features for even more fun!

Shoot a series of fast-paced digital INSTAX images in sequences of 3,6,11 or 21 so you can take “in the moment” shots without missing a beat! Create an INSTAX Animation with your saved photos.

## SHOOT

## PRINT

## Print your photos with an INSTAX Link Series Smartphone printer!

Print on mini, SQUARE or WIDE format film in 2 ways! Switch the camera to Link Mode to print directly to your INSTAX Link Series Smartphone printer (no App required) or transfer your images via Bluetooth from the camera to the INSTAX Pal™ App, then select the printer App and print!
